Would you be willing to be a parent volunteer? Yes No

If so, please fill out a criminal background check form available from TAS office.

Cost of the Camp: Cost is \$40, which includes snacks and lunch, a bird checklist, a field journal and a field guide. Participants should bring their own binoculars. Some binoculars will be available to borrow or you may purchase them at the camp for \$20. To register your child for the camp, please send this form, the liability waiver, and \$40 (or \$60 if purchasing binoculars) to the address below.

Scholarship Assistance: The TAS Youth Camp strives to be self-supporting program. We are able to give a limited number of scholarships, and the number of scholarships we are able to give depends on the number of paid participants who sign up for the camp. If you can make a donation to help provide a scholarship to a child who might otherwise not be able to attend, please indicate the amount on the next page.

To apply for a Tuition Scholarship, please include with your child's registration form, a 1-page response written by your child to these questions:

- 1) Name a bird you have seen in your backyard, front yard, or at school;
- 2) For the bird you chose in Question #1, please describe what the bird looked like;
- 3) Draw a picture of any kind of bird. Please explain in one sentence why you chose this bird.
